

### WalkWorks Active Transportation Plans and Policies Pennsylvania Department of Health (DOH)

Funding is available to assist municipal entities with developing active transportation plans and policies that will improve walking, bicycling, wheeling, and transit connections to everyday destinations and increase safe and accessible opportunities for residents to be physically active.

- Eligibility:** See [Funding Opportunity Announcement](#)
- Award Amount:** \$10,000 to \$20,000 for active transportation plans  
\$3,000 to \$5,000 to assist with developing Complete Streets and/or Vision Zero policies
- Required Match:** None required
- Applications Due:** *Friday, May 14, 2021, at 5:00 p.m.*

### WALKWORKS FUNDING ASSISTANCE

WalkWorks is a partnership between the Pennsylvania Department of Health and the Pennsylvania Downtown Center. Since 2017, WalkWorks has provided funding to assist municipalities with developing Active Transportation Plans, Complete Streets Policies, and Vision Zero Action Plans.

RETTEW has demonstrated experience with WalkWorks to prepare funding applications and develop Active Transportation Plans. We maintain relationships with state agencies that have the resources available to fund active transportation planning and implementation.

We can help guide you through the process and create a plan that results in sustained benefits to the health of your community!

### South Mountain Partnership Mini-Grant Program Pennsylvania Department of Conservation and Natural Resources (PA DCNR)

Funding is available to stimulate on-the-ground work that sustains the South Mountain region's sense of place and quality of life through the protection, enhancement, or promotion of the area's natural, cultural, recreational, or economic resources. Past projects funded by mini-grants in Adams, Cumberland, Franklin, and York Counties include trail feasibility studies and master plans, bioretention swale and stream projects, and historic preservation initiatives.

- Eligibility:** See [Frequently Asked Questions](#)
- Award Amount:** Range from \$2,500 to \$15,000
- Required Match:** 50% match required
- Pre-Applications Due:** *Friday, May 28, 2021*

### COMMONWEALTH FINANCING AUTHORITY PROGRAMS

The Pennsylvania Department of Community and Economic Development (DCED), through the Commonwealth Financing Authority (CFA), is accepting applications for programs funded through Act 13. For additional information, please see our special edition [Funding Opportunities](#) supplement.

### Water Level Monitoring Grants Susquehanna River Basin Commission (SRBC)

This new grant program is available to support the collection and reporting of water level data in groundwater production wells in the basin. Funding is focused on purchasing, installing, or maintaining water level monitoring equipment to provide appropriate data collection methods to monitor and report operational data.

- Eligibility:** See [Criteria for Water Level Monitoring Grant Selection](#)
- Award Amount:** Up to \$1,500 per source, facility cap at \$7,500/year
- Required Match:** None stated
- Applications Due:** *Wednesday, June 30, 2021*
