

Statewide Local Share Assessment Gaming Grant Program

Pennsylvania Department of Community & Economic Development (DCED)

Funding is available for projects that are in the public interest and improve the quality of life in the community. Eligible projects must be owned and maintained by an eligible applicant or a nonprofit organization.

Award Amount: \$1 million maximum

Required Match: No match required

Applications Due: *Tuesday, March 15, 2022*

Small Watershed Grants (SWG) Program

National Fish and Wildlife Foundation (NFWF)

Funding is available for projects within the Chesapeake Bay Watershed that promote voluntary, community-based efforts to protect and restore the diverse and vital habitats of the Chesapeake Bay and its tributary rivers and streams. NFWF will award funds through two distinct funding opportunities: SWG Implementation (SWG-I) grants and SWG Planning and Technical Assistance (SWG-PTA) grants.

Award Amount: SWG-I grants - \$75,000 to \$500,000
SWG-PTA grants - up to \$75,000

Required Match: No match required

Applications Due: *Thursday, April 21, 2022, at 11:59 p.m.*

Lancaster County FY2022 Community Development Block Grant (CDBG) Public Improvements Program

Lancaster County Redevelopment Authority

Funding is available for projects designed to serve those areas of the community with the highest percentage of low- and moderate-income persons, using current census data or recent income survey results.

Award Amount: \$200,000 maximum

Required Match: Minimum 20% of total project cost

Letter of Intent Due: *Tuesday, March 1, 2022*

Applications Due: *Monday, May 2, 2022*

CELEBRATING OUR SUCCESSES!

Congratulations to our client, South Londonderry Township, on their award of \$220,000 in FY2021 SWG-I funding for the Killinger Creek project!

RETTEW helped the Township through the grant application process. The funds will be used to improve water quality and stream health in Killinger Creek by reducing the pollutant loading rates that contribute to existing stream impairments and increasing in-stream and forested habitat for wildlife species. This project will stabilize and restore 1,600 feet of Killinger Creek, plant a 3,500-foot riparian forest buffer on both streambanks, and educate the community on why these projects are important for clean water.

ARP ANNUAL REPORTS DUE APRIL 30, 2022

The U.S. Department of the Treasury Ruling requires Non-Entitlement Units that receive funding from the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Program, a part of the American Rescue Plan (ARP), to file annual reports.

The first Project and Expenditure Report is due on April 30, 2022. This report covers activity from March 3, 2021, through March 31, 2022. To view the User Guide for these reports - [click here](#).

RETTEW continues to monitor guidance regarding the ARP and is here to help guide you through the process.
